Air and Water-Resistance

Pushing the Envelope™

MortarNet™ w/ Insect Barrier™

MortarNet suspends mortar droppings above the flashing and weeps so they stay clear and unobstructed. It's patented insect barrier helps deter insects from entering the cavity.

CellVent™

Made of durable polypropylene and comes in many colors. Helps ensure that moisture can migrate out and air can circulate into the cavity, and that insects can't enter the the weep holes.

Mortar Net SOLUTIONS
A KEENE FAMILY COMPANY

WallDefender®

WallDefender suspends mortar droppings above the flashing and weeps so they stay clear and unobstructed.
